

VECTUS[®]™

All VECTUS[®] branded cables come with a 25 Year limited warranty.

The warranty covers product replacement should there be a proven manufacturing defect. However, the warranty does not cover accidental or malicious damage to the installed links nor is it covered by external circumstances beyond our control.

To ensure your warranty claim is valid, all cables must be installed in the correct environment in accordance with the manufacturer's guidance.

Proof of correct installation will be required for any warranty claims.

The warranty does not cover any loss of profit, or any indirect or consequential loss as set out in our standard Terms and Conditions of Sale.
